MULTICULTURAL WELCOME DINNER

Last night's event was absolutely fantastic! A huge thank you to our incredible school community for joining us and bringing such a diverse array of delicious food from different cultures. It was wonderful to enjoy so many special dishes that reflected the rich variety of flavours and traditions within our community. We truly appreciate everyone's contributions in making it such a memorable and vibrant celebration!

YEAR 7 CAMP

Get ready for the Year 7 trip to Mornington Adventure Camp from 19 - 21 February. This exciting adventure aims to strengthen social bonds among students, fostering a sense of belonging and enthusiasm as they start the school year together. Students will enjoy a low ropes course, zip-lining, archery, team-building challenges, climbing wall, commando course, board games, an outdoor wood-fired pizza night. Please note that some activities may change due to weather conditions.

Don't forget to return all forms to your homeroom teachers!

CAN YOU HELP? PARENT LIAISONS

We are looking for volunteers to be the Year Level Parent Liaisons for the P & F (Parents & Friends Committee) for each year group! This vital role connects our school with families and offers you a chance to make a real difference.

As a thank you, parents who volunteer will receive a \$264 discount on their school fees (volunteer levy)!

Interested? Please email us at admin@lcs.wa.edu.au to share why you'd be a great fit!

D Block Building Update

We are excited to share the latest progress on our new buildings and play areas!

The general classrooms are looking fantastic, with the carpet now laid and the painting in the final stages. In the science room, the flooring is also finished, and the science dilution system has been checked and passed - ensuring that all the exciting experiments can take place safely in this space.

Outside, the decking in front of the general classrooms is now laid, providing a welcoming and functional outdoor area. We are currently awaiting the final electrical work and the full installation of cabinetry in the science lab. Meanwhile, the pavers have been ordered, and as soon as they arrive, work will begin on connecting the existing paving to the new buildings.

A huge thank you to our site coordinator, Mark, for keeping everything on schedule - we appreciate all the hard work behind the scenes! We look forward to seeing these spaces come to life and can't wait for our students to enjoy them.

Year 5/6 Off To A Strong Start!

Week 2 at Landsdale Christian School has been exciting for the Year 5/6 class. Students enthusiastically embraced the theme "Jesus Makes Things Anew" in their Encounter lessons, brainstorming ways to refresh their classroom. They collaborated on seating layouts and voted on the best setup, transforming the space to reflect their needs and values of teamwork and renewal.

In Science, students researched Australian native animals, focusing on their adaptations for survival. Each student created a PowerPoint, poster, or report to present their findings, enhancing their understanding of wildlife and developing presentation skills.

With such a strong start, the Year 5/6 class looks forward to more engaging experiences ahead!

Year 11 & 12 Outdoor Education

The Year 11 and 12 Outdoor Education students will be joining Mr Walker and Mr Dwyer on regular hiking trips as part of their coursework.

Here students can develop their fitness and hiking proficiency, as well as essential bush skills, such as orienteering, planning, and hazard reduction, whilst becoming familiar with a range of ecosystems.

We will update you through the year on all the beautiful locations the students intrepidly explore as they build their confidence in the great outdoors.

Mr Brendan Dwyer
Year 11/12 Outdoor Education Teacher

Kindy Tasks

At Kindy we want to help the children to understand that the things they do make a difference.

To build their ability to make a positive impact, each week children are invited to select a specific helping task in class. They can choose from tasks that help people, tasks that help animals, or tasks that help protect and care for the environment.

The Bible says in Galatians 5:13, "Serve one another with love." In Kindy we serve with love, and also with joy and pride.
